

# COVID-19 Guidelines for Bohemia

We are committed to keeping Bohemia as a safe clean venue for everyone.

## **Please remember the Government Guidelines and house rules: -**

- Wait at the entrance to be given a table by our greeter.
- Stay seated at your allotted table; no standing up drinking or walking to other tables to socialise and no dancing.
- Comply with social distancing to a minimum 1 metre policy, including with guests at your table from another household. Where possible observe 2 metre distancing in general.
- Do not enter the premises if you are feeling unwell or have a temperature.
- Please provide optional contact details to help NHS Test and Trace via our App.

## **Only meet in Government permitted groups:-**

- **Single household**  
You can eat and drink together either indoors or outdoors, no requirement to socially distance within your group.
- **Two separate households**  
Two households can eat and drink together indoors or outdoors, but persons from different households must socially distance from each other. Think about where to sit at your table to meet this requirement.
- **More than two households**  
People from more than two households can eat and drink together. However, this must be outdoors only and the maximum number in the group cannot exceed 6.

**Note:** We ask that customers consider these requirements when making bookings or accessing our premises. Customers are responsible for their own compliance with these rules. Police and local authorities have powers to enforce social distancing requirements and that this action will usually be against the person(s) committing the offence not the business.

## **Feel safe and enjoy :-**

- Staff will be wearing PPE
- Food and drinks can be ordered from the table on the new Bohemia QR code app
- Hand sanitisers will be available at the entrance and throughout the venue
- Clear screens will be around the bar, with added social distancing measures
- Signs reminding people to keep their distance will be featured throughout
- Tables will be cleaned before and after every customer
- The building will be well ventilated
- Two outside areas are available (the front terrace and the roof terrace)

While customer experience is still a priority for us at Bohemia, we would like to reassure you that we will be implementing the highest standards of health and safety so you can relax and enjoy your visit.

**We look forward to serving you!**
